GWG 1004 Ms Itoshigefuji x LMR RMW Itomoritaka (FB14234)

Offspring has great potential!

Blackmore Aizatzurudoi Y398 the father of GWG 1004 is known for breeding a combination of outstanding female replacements and steer
carcasses of outstanding meat quality. He weighs close to 900kgs putting him at a similar weight as some 100% Fujiyoshi or Kedaka blood bulls.
Female offspring have good milking ability and excellent fertility (GWG1004's sister produced 46 embryos (grade 'a') and had twins from the same flush)
Aizatzurudoi Y398's sire is Fukutsuru 068 (number one rated sire in terms of marbling).

The sire of LMR RMW Itomoritaka has the highest milk EBV in the Australian Breed Plan. The bottom side of his pedigree is very high in marbling genetics.

Both parents are free of genetic disorders.
