GWG 1008 x Y350

GWG 1008 Ms Aizakura x Blackmore Kinuyasudoï Y350

Blackmore Aizaturudoï Y398 = Father of GWG 1008 = Calves are good and fertile mother cows. They have above average carcass weight, are high marbling and bulls have good meat quality.

Blackmore Kinuyasudoï Y350 = Good maternal sires, good for embryo program, can be used on F1 and Fullblood cows. Tend to have big Rib-Eyes and a good fat cover.
